

# DRIVE CARRYING CASE™ USER MANUAL

Revised July 30, 2008

\*Drives not included

## Features

- Drive Carrying Case can safely house up to ten 3.5-inch hard drives.
- This Field Kit has its own Pelican case. This case and foam were put together for this Field Kit. The case will remain watertight up to 30ft underwater and is virtually indestructible.
- The foam is engineered to fit snugly against your fragile hard drives so that if the case is dropped or jostled the drives will be safe.
- Drive Carrying Case conveniently stores your hard drives in a secure manner so that you can tote them practically anywhere.
